Please consider additional gifts to SPC. Your donations to our 501(c)(3) organization are tax deductible.

Please consider sponsoring a testing station. The fees we pay to the lab are \$600 per station. Many of our stations are sponsored by individuals or groups of neighbors.

Salt Ponds Coalition strives to maintain a low overhead, but we do have significant expenses with testing programs, office rent, administrative costs, and supplies. Please consider making a donation in addition to your yearly membership dues, to help defray these costs. Thank you.
